

## RR Kabel Foundation's RRoshani Initiative Empowers Education

### Establishes New School Building in Vadodara

**Vadodara, 06<sup>th</sup> February 2026** – RRoshani – a CSR initiative by the RR Kabel Foundation has partnered with the Baroda Young Turks Round Table #201 Charitable Trust to extend partial support for the construction of a new school building in Vadodara. Commenced in July, 2024, and completed by January, 2026, the project is designed to provide quality educational infrastructure to underserved communities in the region.

The new school, named Dr. Shyama Prasad Mukherjee School, has a total built-up area of 14,000 square feet and includes a variety of modern facilities.

#### Key Features of the New School Building:

- **Spacious Classrooms:** The school houses seven classrooms, each ranging between 550 and 640 square feet, designed to provide an optimal learning environment.
- **Specialized Laboratories:** A fully equipped 1,000-square-foot science lab and a 1,200-square-foot computer center will offer students hands-on learning opportunities.
- **Modern Amenities:** The three-story structure (Ground + 2) also features a dedicated staff room, a library, separate toilet facilities for teachers and students, an amphitheatre, a sculpture garden, and advanced fire safety systems.

*"Education is the foundation of a stronger society, and at RR Kabel, we believe every child should have access to quality learning spaces. Our support for the Dr. Shyama Prasad Mukherjee School in Vadodara is a reflection of this belief. By investing in modern educational infrastructure, we are creating better opportunities for children from underserved communities while contributing to the long-term growth and development of the region," said Mrs. Kirti Kabra, Director, RR Global.*

This initiative by RR Kabel has been inaugurated in February 2026. The collaboration underscores RR Kabel's commitment to strengthening educational infrastructure and fostering long-term community development, ensuring that children from underserved backgrounds have access to better learning opportunities. By investing in education, the company aims to empower future generations and create a lasting social impact.
