ROCKER**

**SOFT
SWITCH**

SWITCHES BROCHURE & PRICELIST

W.E.F: April 2026

RR KÄBEL

For over two decades, RR Kabel has been a trusted leader in India's wires and cables industry, setting benchmarks in design, technology, and performance. As part of RR Global - a diversified conglomerate with a turnover exceeding USD 1.8 billion - we have played a vital role in powering and connecting millions of homes and businesses across the country. Our extensive portfolio of thousands of products and advanced manufacturing capabilities reflect our unwavering commitment to quality and innovation.

Building on this strong foundation, RR Kabel is now redefining the future of electrical solutions with its growing range of switches and switchgear. Designed with precision, engineered for safety, and crafted for modern lifestyles, our switches bring together durability, aesthetics, and seamless functionality. Every switch is a reflection of our core philosophy - delivering reliability at every touchpoint.

Today, as we evolve into a comprehensive electrical solutions provider spanning wires & cables, switches & switchgear, fans, lighting, switchgear, and appliances, one thing remains constant - our commitment to excellence.

RR Kabel continues to power India's progress - safely, reliably, and beautifully.

AMARA

Introducing Amara. Designed to sit right, look right, and sound right. Smooth contours and a sleek flush fit bring a sense of calm to your walls, while a versatile colour palette works across styles and spaces. Every detail is crafted for durability without compromising on design. Designed for lasting performance , Amara is more than a switch. It's the detail that completes your space.

SWITCHES

SWITCHES

Designed for dependable performance and everyday durability, the switch combines precision engineering with user-friendly design. The silver-tipped moving contact ensures superior conductivity and long-lasting performance, while brass screws and terminals deliver excellent electrical conductivity and durability. The curved design knob adds a premium, modern aesthetic, and the front insertion and removal mechanism allows convenient installation and maintenance. UV-protected materials help prevent discoloration and maintain the finish quality over time.

Key Features & Benefits

- **Double Rocker Mechanism:** Ensures smooth operation with reduced switching sound
- **Rapid Snap Action Mechanism (RSAM):** Provides quick response and easy changeover
- **Spark Shield Protection:** Advanced internal protection system designed to enhance operational safety
- **Captive Screw:** Prevents loss during installation and no need to handle screw separately

Safety & Compliance

- **IP20 Protection:** Prevents direct contact with current-carrying parts, ensuring enhanced user safety.
- **ISI Certified:** Complies with IS: 3854
CM/L: 7200168609

TESTED FOR 5 LAKH
OPERATIONS

SOCKETS

Designed for reliability and ease of use, the socket ensures smooth plug insertion and removal for everyday convenience. The precision-engineered contact system provides stable connectivity and improved performance during operation. Built with durable components and thoughtful design, the socket enhances both usability and safety in residential and commercial electrical installations.

Safety & Compliance

- **IP20 Protection:** Prevents direct contact with current-carrying parts, ensuring enhanced user safety.
- **ISI Certified:** Complies with IS: 1293
CM/L: 7300117607

BETTER GRIP WITH PLUG
NO LOOSE CONTACTS

FAN REGULATOR

Amara fan regulator is designed for smooth, efficient, and noise-free fan speed control. Built with high-quality safety capacitors, it reduces overheating risks and enhances operational safety. The ergonomic full-rotation knob allows seamless speed adjustments, while the robust internal design ensures consistent performance across a wide range of fan capacities.

Safety & Compliance

- **ISI Certified:** Complies with IS 11037:2019

ACCESSORIES

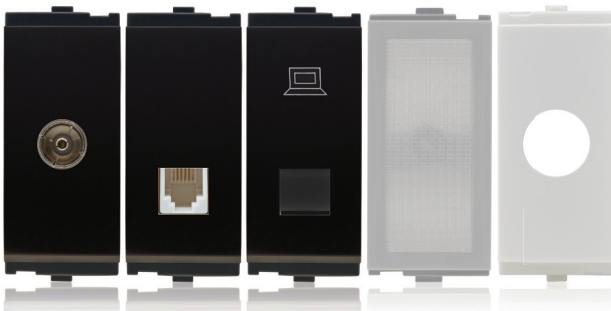

The Accessories Series includes a versatile range of functional modules designed to support modern connectivity and utility requirements. Built with high-grade materials and precision detailing, the range ensures durability, reliable connectivity, and easy installation for modern electrical setups.

ELECTROMAGNETIC
BUZZER

APPEALING
AESTHETICS DESIGN

COMMUNICATION ACCESSORIES

Amara Communication accessories are manufactured with a recyclable polycarbonate, built with the latest standards with appealing aesthetics. High-quality parts ensure stable data transmission, reduced signal loss, and improved network performance.

PLATES

PLATES

Our designer plates elevate your walls with stunning color options including pearl gold, pearl blue, and graphite grey, complemented by chrome border accents that add a subtle shine. Each plate features a gracefully curvy design that mirrors the elegant contours of the switch itself, creating a cohesive, flowing aesthetic. Built with sturdy construction for reliable, long-lasting application, these plates transform ordinary switches into eye-catching design elements that enhance any room's character.

PEEL PROOF, SCRATCH &

CLASSIC SERIES PLATES

The Classic Series offers timeless finishes designed to blend seamlessly with any interior setting. With clean tones like white, carbon black, and graphite, the range delivers a balanced combination of simplicity, durability, and everyday elegance, making it suitable for both residential and commercial spaces.

CARBON BLACK

WHITE

GRAPHITE

SILVERINE SERIES PLATES

The Silverine Classic Series enhances traditional finishes with refined chrome accents, creating a sleek and premium appearance. Offered in Silverine Grey, Silverine Black, and Silverine White, the series blends metallic detailing with versatile tones to deliver a polished and contemporary look for sophisticated interiors.

SILVERINE BLACK

SILVERINE WHITE

SILVERINE GREY

PEARL SERIES PLATES

The Pearl Series introduces a soft, luxurious aesthetic with elegant pearlescent finishes. With rich tones such as pearl blue and pearl gold, the series adds a touch of warmth and sophistication, making it ideal for interiors that seek a refined and distinctive visual appeal.

PEARL BLUE

PEARL GOLD

OAK SERIES PLATES

Inspired by natural wood textures, the Oak Series brings warmth and character to modern spaces. Available in Red Oak and Smoked Oak finishes, the series creates a rich, wood-inspired aesthetic that complements both contemporary and classic interiors while adding depth and elegance to switch plates.

Note: All Warranty clauses is applicable for manufacturing defect only.

Terms and Conditions:

- The Warranty will commence from the date of purchase invoice.
- Warranty services can be requested through the customer service department or respective retailer/dealer from whom the product was purchased. Customers must present the original purchase invoice and, wherever possible, the original Warranty Certificate (duly signed and stamped by the selling dealer)
- In case of a manufacturing defect, the company may repair or replace the product at its discretion.
- The warranty for repaired or replaced products will continue only for the unexpired period of the Original Warranty Defective products returned during the Warranty period are deemed the property of the Company or its Authorized Service Partner
- The company shall not be liable for any delay or failure in performance caused by circumstances beyond its control, including the non-availability of any part, labour issues, government restrictions and regulations, public movement, war, and any other unavoidable or unforeseen circumstances, including force majeure events, Particularly concerning the import of raw materials and supplies.
- The Company will not be liable for economic loss, commercial loss, Consequential liability. property damage, or any other harm suffered by the customer. (Liability is limited to the repair or replacement of product only)
- In the event that the same product or a product with a similar design is not available for some unforeseeable reason, the product will be replaced with an equivalent model available at that time.

Warranty excludes or does not apply:

- If the product is serviced or repaired by any person other than the Authorized Service Representative of the Company.
- A damaged, erased, tampered, or modified serial number or refurbished/modified product would be considered invalid.
- In the event of an accident, negligence, improper maintenance, mishandling, or tampering, incurred by the customer during transit, attribution is attributable to the customer.
- Any damage caused by any electrical or civil installation(s), wiring, or defects in third-party product.
- Any damage caused by unforeseeable circumstances such as a force majeure event, etc.
- If the customer breaches the warranty terms and conditions, the installation and instruction guidelines, or recommendations of the Authorised Service Representative, and/or operates the product in a manner inconsistent with the product specifications, the warranty will be voided.
